RACER 48”

The TOURER is light and fast. The rim is 20mm wide and uses 14G spokes. The bike comes with racing leather saddle in natural (or black), racing handlebar (type #1 / rubber grips or type #2 / bar tape), cranks (125mm) and racing pedals.

We recommend to add: footbrake (art no 2811) €35 and 3"bell (art no 1550) €12.
Optional (for the serious rider): SPD pedals (art no 3030) €45.

colour: see website
total length: 1600mm
