TOURER XS 48”

This bike can be ridden by riders from approx height 158cm.

The TOURER is strong and sturdy. The rim is 25mm wide and uses 13G spokes. The bike comes with racing leather saddle in natural (or black), straight handlebar with grips in brown (or black), cranks 127mm and touring pedals.

We recommend to add: footbrake (art no 2811) €35 and 3"bell (art no 1550) €12.
